Date Of Purchase: _____

USB Program Device (USBPD) Replacement Policy

Applies to:

Active Upgrade and Support Subscription

Expired Upgrade and Support Subscription

See current policy at <https://www.eurosoft-uk.com/terms-conditions/>

All Eurosoft software requires a dedicated Eurosoft USB Program Device. Each program cannot activate without the presence of the Eurosoft USB Program Device.

Eurosoft Releases and Updates are located at [Product Announcements Archives - Eurosoft UK Ltd](#)

IMPORTANT Please refer to the User and Test Description Manuals on the USB Program Device for details on how to select tests, setup scripts, custom brand your test reports, QR code test descriptions and more.

All products include 1-year Update & Support Subscriptions. ZeroData™ Windows® Annual License runs for 1-year. Continued use after this time requires the license to be renewed. Note: ZeroData™ Windows® does not require Test Accessories apart from the Eurosoft USB Extension Cable and USB A to USB C adaptor are included in the package.

Pc-Check Suite Test Accessories are (1) Eurosoft USB Program Device which can be used as USB Port Test Device; (1) USB Port Test Device (included in the Eurosoft Test or Erasure Experts Bundles); (1) Loop-back plug (9 pin serial); (1) Audio Test Cable; (1) Network Test Plug; (1) USB extension cable; (1) USB A to USB C adaptor (1) DVD Test Disc.

Additional Eurosoft Test Accessories such as USB Port Test Devices for port testing can be purchased from Eurosoft UK or Eurosoft US. For additional license use (multiple users, units under test or site locations) purchase more program licenses and Eurosoft USB Program Devices as needed. Please visit the Eurosoft UK web shop for fast purchasing <https://www.eurosoft-uk.com/shop/> or contact us for volume purchases and site licenses.

Please visit our website for more details on test accessories <https://www.eurosoft-uk.com/products/test-accessories/>
